

## RULES :

- A member from each team will pick a chit randomly a lot of letters(alphabets).
- The bot would be allotted 4 minutes of time within which it has to make a word starting with the chosen alphabet.
- The word would be made using the letter blocks already present in the arena.
- The length of the word must be seven.
- Usage of pushing mechanism is encouraged in this game.
- Touching hurdles would fetch negative points.
- The remaining time (in seconds) after making the word would be added to the total.
- Arena destruction will cause disqualification.
- Under any circumstances, co-ordinators decision would be final.
- Size of Bot Should be 30 cm\* 30 cm.
- There may be slightly changes rules and regulation on the D Day.
